---

## Loan Application Information

The Skamania County Economic Development Council business loan funds lend money to small businesses and start-up enterprises. The purpose of the fund is to create employment and community benefit. We are specifically interested in assisting low-to-moderate income individuals and economically disadvantaged persons in entrepreneurial efforts that will aid in the diversification of the area's economy.

The loans are fixed at three points above prime and have terms from one to ten years. Generally, the loan fund can contribute no more than 75 percent of the project cost.

## Applying for a Loan

---

Allow plenty of time. The following steps outline the process of applying for a loan.

If after reading the information you have questions, call us at 509-427-5110.

- B. If you have an existing business, at some time during the application process we will want to visit your business to gain a better understanding of your operation.
